

One For All

A system of partitions made for everyone.

One for All

Maximum transparency.

Partitions that create spaces while maintaining the communication and the continuity between the different spaces.

Creating quiet spaces.

One for all creates executive workspaces or meeting rooms, where transparency and acoustic comfort are key requirements. It can respond to a wide range of requirements and specifications.

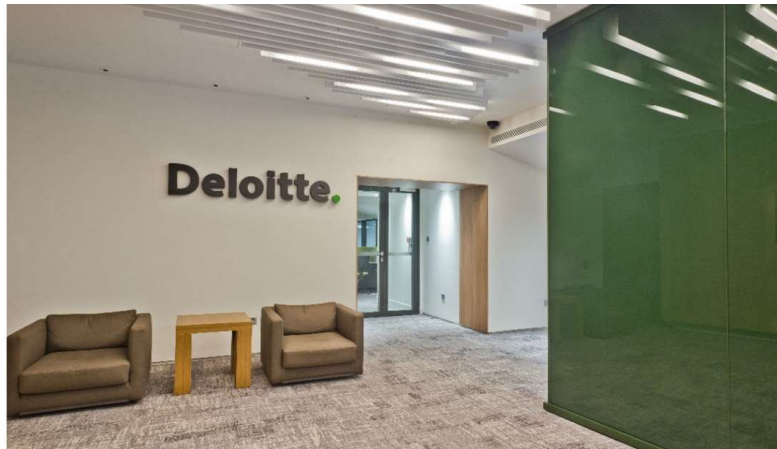

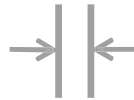

Highly customizable.

The key feature of this partitioning system are the countless design possibilities. The double-panel modules with gavity gap are available in a variety of different versions.

The partition
for everyone.
