Ado armchairs and sofas thrive on contrasts: the softness of upholstery and rigour of the structure, wooden armrests and metal legs. Design shows itself in the details.

Le poltrone e i divani Ado vivono di contrasti: la morbidezza dell'imbottitura e il rigore della struttura, il legno dei braccioli e il metallo delle gambe. Il design si rivela nei dettagli.

The shapes of Ado evoke certain
stylistic features of Scandinavian:
design, essentiality and
peacefulness. The seat renews this
aesthetic tradition with the Italian
style of materials and finishings.

Le forme di Ado richiamano alcuni stilemi del design
scandinavo: geometria, essenzialità, pacatezza. La seduta
rinnova questa tradizione estetica con lo stile italiano dei
materiali e delle finiture.

The wooden arms of the Ado line feature a special finish: an outward-tapered winged volume creates a dynamic effect and provides comfortable support.

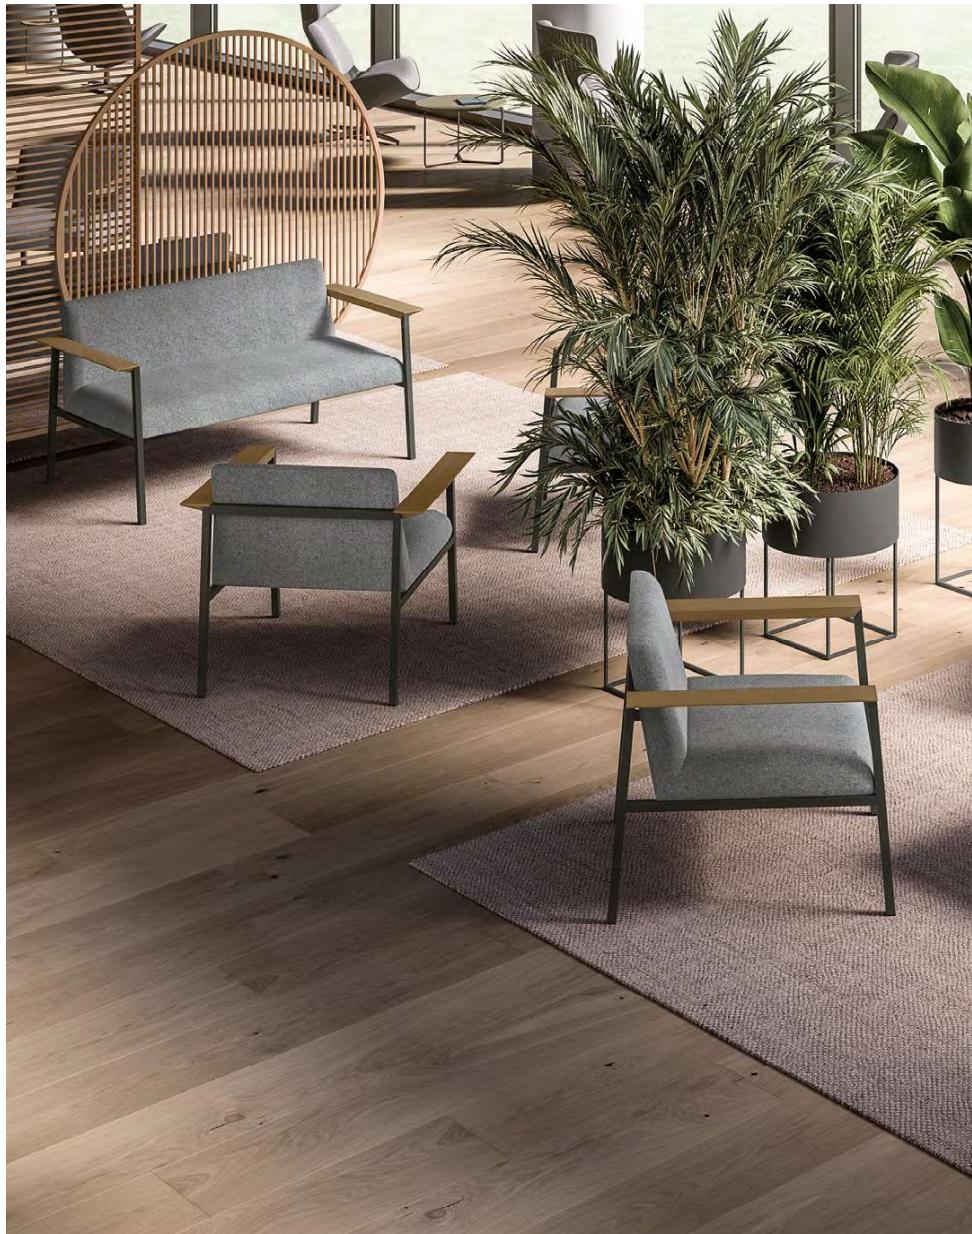

I braccioli in legno della linea Ado presentano una lavorazione particolare: un volume ad ala che si assottiglia verso l'esterno, creando un effetto dinamico e garantendo un appoggio confortevole.
