

SCHEDA TECNICA

Piani e fianchi: realizzati in truciolare da 40 mm di spessore a bassa emissione di formaldeide CARB P2, bordati perimetralmente con ABS arrotondato. Nei piani possono essere inseriti, previa foratura, degli accessori (optional) per il passaggio dei cavi elettrici.

Gonne: realizzate in truciolare da 18 mm di spessore a bassa emissione di formaldeide CARB P2 bordate lungo i lati orizzontali con massello di ABS arrotondato.

TECHNICAL DESCRIPTIONS

Tops and sides are realized in chipboard th mm 40 with low formaldehyde emission CARB P2 with ABS rounded perimetral edge. It is possible to insert on worktops, after drilling, (optional) accessories for passage of electrical cables.

Modesty panels are realized in chipboard th mm18 with low formaldehyde emission CARB P2 with ABS rounded perimetral edge

FICHE TECHNIQUE

Les plateaux et les cotés sont réalisés en aggloméré ep mm 40 avec faible émission de formaldéhyde CARB P2 avec bord périmétrale en ABS. Il est possible d'insérer sur les plateaux, après perçage, les accessoires (optionels) pour le passage des cables électriques.

Les voiles de fond sont produites en aggloméré ep 18 mm avec faible émission de formaldéhyde CARB P2 avec bord périmétrale en ABS arrondi.

TECHNISCHE BESCHREIBUNG

Die Platten und die Flanken sind aus Span dicke mm 40 mit geringer Formaldehydemission CARB P2 hergestellt, mit ABS abgerundetem Rand. Opzionales Zubehor konnen in die Platten eingebaut werden, nach dem Bohren, fur die Durchgang von Elektrokabeln.

Die Beinrennwande sind aus Span dicke mm 18 mit geringer Formaldehydemission CARB P2 hergestellt, mit ABS abgerundetem Rand.

DESCRIPCIONES TECNICAS

Los planos y los costado son realizados en aglomerado espesor mm 40 de baja emision de formaldehido CARB P2 con bordes perimetrales en ABS redondeados.

En los planos se pueden insertar accesorios opcionales, previa perforacion, para el paso de cables eléctricos.

Los faldones estan realizado en aglomerado espesor mm 18 de baja emision de formaldehido CARB P2 con bordes perimetrales en ABS redondeados.
