

AFTER

designed by Edi & Paolo Ciani

**Introducing soft living.
After originated from the
contamination between
domestic comfort and
contract aesthetic,
thus producing a system
characterised by inviting
contours, conceived
for spaces where
conversation, relaxation
and sophistication coexist
in perfect harmony.**

Abitare la morbidezza.

After nasce dalla contaminazione tra comfort domestico e linguaggio contract, dando forma a un sistema dalle linee accoglienti, un sistema pensato per ambienti in cui conversazione, relax e raffinatezza convivono in perfetto equilibrio.

After is a modular sofa designed for dynamic lounge spaces without compositional restraints. The contoured backrest, exposed stitching and tapered turned wooden legs create a soft, refined and distinctive aesthetic.

After nasce come divano modulare per spazi lounge dinamici e senza rigidità compositive. Schienale sagomato, cuciture a vista e piedini conici in legno tornito definiscono un linguaggio morbido, raffinato e distintivo.
